

Instructions for Paper Submission

Advances in Materials and Pavement Performance Prediction 12-14 Dec 2022, Hong Kong, China

EasyChair, a conference management system, is selected for the management of paper submissions for this conference. The submission link on the AM3P 2022 website will direct users to the EasyChair website. The following steps are provided as instructions for the submission of papers:

1. Click the “**Paper Submission**” button on the “Paper Submission” page of AM3P 2022 website: <https://www.am3p.com/upload>.
2. Log in EasyChair with your **username** and **password** (Create an account if you don’t have one).
3. Click on the “**make a new submission**” link under AM3P2022 (Advances in Materials and Pavement Performance Prediction 2022).
4. When the submission form appears, fill in the form with the **required information** and then upload your full paper through the “**Paper**” field of the submission form:
 - a. The uploaded file must be in **Word** or **PDF** format prepared using the provided **word template** with **maximum four pages**.
 - b. Provision of non-essential details is optional.
 - c. At least **one author**, **three keywords** and **one topic** are required.
5. Click the “**Submit**” button.
6. Submitted files can be modified later by the author(s) before the paper submission deadline. You can find your files by logging in the system and clicking on “Submission #” (# is a number generated by the system) or “My submissions”>“Submission #” (if you have multiple submissions). The menu on the right will assist you with submission modifications.
